

# Wedding Videos

The ceremony. The dress. That special day that you will remember forever. We take great pride in ensuring your wedding day will be remembered as you want it to be, and to capture the personalities and in-between moments that make each wedding so memorable and unique in their own way. Using high-definition cameras, we offer a variety of packages and options suited to your budget and your tastes. Because in the end your wedding day should be all about you!

## Base Packages

### **Ceremony Only - \$225**

Full coverage of Ceremony with one camera.

### **Wedding Day Basic - \$375**

Includes the above in addition to basic coverage of the Reception (up to 2 hours) including entrances, toasts, first dances, and garter/bouquet toss with no editing.

### **Wedding Day Premium - \$980**

Full coverage of Ceremony with two cameras and wireless microphone in addition to the above. More extended coverage of the dancing, festivities, and on-camera interviews (optional) at the Reception, as well as a musical montage at the end recapping the day's events!

### **Wedding Day Platinum - \$1380**

All of the above in addition to two cameras covering the Reception and up to 4 hours of additional coverage of pictures, hair appointments, flower arrangements, etc. Your video presentation will include not only the main events, but also some of the special "spur-of-the-moment" memories that happen all day long!

### **The Storybook Wedding - \$3220**

Make your wedding story the fairy tale it was meant to be! All of the above in addition to on-camera interviews with the special couple and family/friends telling the story of their relationship. Additional camera coverage at the rehearsal dinner, dress fittings, engagement photos, whatever you wish (up to 6 hours). All of this will be edited together as part of a high-end wedding video presentation that will serve as both a keepsake of your special day and a reminder of how you got there!
